

Church Match Scholarship

Introduction

This scholarship is for students going to college at the Ohio regional campus of Southeastern University. The SEU Ohio Regional Campus (SEU Ohio) will match a church scholarship one dollar for every three dollars given by the church up to \$125 per semester (up to \$250 per academic year), per student, if funding allows. For example, if a student receives a \$750 yearly scholarship from the student's home church, SEU Ohio will match the church scholarship with an additional \$250, allowing the student to receive a total of \$1,000 in scholarship support for the year. There is no limit on the amount a church may give toward an individual student's scholarship; for example, a church scholarship gift of \$2,000 per year for a student matched by SEU Ohio would give the student a \$2,250 scholarship for the year.

Who Is Eligible?

First time students and transfer students enrolled full-time (at least 12 hours per semester) are eligible to receive a Church Match scholarship. SEU Ohio will match church scholarships up to \$250 per academic year from Assemblies of God churches as well as all other denominations.

Application Deadline and Criteria

To apply for a Church Match scholarship for fall semester, the student must first apply for admission to the SEU Ohio Regional Campus and to Southeastern University. It is preferable that the incoming student completes his or her Ohio Regional Campus application and the Southeastern University application by June 1st. The sponsoring church must submit the Church Match Application form (on page two) for each student it sponsors with the church's scholarship payment(s) to SEU Ohio no later than **June 30th** for SEU Ohio to apply matching funds for the student. Church scholarship payments received by SEU Ohio after the June 30th deadline for the upcoming academic year will be applied to the student's account without an SEU Ohio match.

Scholarship award and annual renewal criteria include acceptance as a student at Southeastern University and maintaining satisfactory academic progress as a full-time student.
